STORAGE RATES-WAREHOUSE RECEIPT

CORN-14% SOYBEANS-13%

Storage rates of .17 cents per bushel per day for the months
of September thru March. Storage rate for the months of
April thru August will be .075 cents per bushel per day.
Storage will be taken out of the proceeds of sale grain at the
time of payment. Storage will be charged to your regular
account in July for any bushels that remain at that time.

PRICE LATER SERVICE CHARGES-

All grain placed on a Price Later contract will be charged a
service charge of .17 cents per bushel per day the months of
September thru March, and .075 cents per bushel per day the
months of April thru August. ALL PRICE LATER CONTRACTS
WILL EXPIRE AT NOON ON AUGUST 31 AND CAN ONLY BE
SOLD INTO THE CASH MARKET. Management and the board
of directors will determine prior to expiration if contracts will
be allowed to roll over or have to be sold prior to the market
close on the last business day of August.

PRICE LATER CONTRACTS AND DEFERRED PAYMENT CONTRACTS MUST BE SIGNED!

**Any grain not settled within 20 days of first
delivery will AUTOMATICALLY be placed on
Warehouse Receipt.**
