STORAGE RATES-WAREHOUSE RECEIPT

CORN-14% SOYBEANS-13%

Storage rates of .0021 cents per bushel per day for the
months of September thru March. Storage rate for the
months of April thru August will be .0013 cents per bushel
per day. Storage will be taken out of the proceeds of sale
grain at the time of payment. Storage will be charged to your
regular account in July for any bushels that remain at that
time.

PRICE LATER SERVICE CHARGES-

All grain placed on a Price Later contract will be charged a
service charge of .0021 cents per bushel per day the months
of September thru March, and .0013 cents per bushel per day
the months of April thru August. ALL PRICE LATER
CONTRACTS WILL EXPIRE AT NOON ON AUGUST 31 AND CAN
ONLY BE SOLD INTO THE CASH MARKET. Management and
the board of directors will determine prior to expiration if
contracts will be allowed to roll over or have to be sold prior
to the market close on the last business day of August.

**It is illegal to deliver TREATED SOYBEANS. When delivering
soybeans, producers have the responsibility to make sure all
delivery equipment is not contaminated with TREATED SEED**

PRICE LATER CONTRACTS AND DEFERRED PAYMENT CONTRACTS MUST BE SIGNED!

**Any grain not settled within 20 days of first delivery
will AUTOMATICALLY be placed on Warehouse
Receipt.**
