#### STORAGE RATES-WAREHOUSE RECEIPT

CORN-14% SOYBEANS-13%

Storage rates of .0020 cents per bushel per day for the  
months of September thru March. Storage rate for the  
months of April thru August will be .0011 cents per bushel  
per day. Storage will be taken out of the proceeds of sale  
grain at the time of payment. Storage will be charged to your  
regular account in July for any bushels that remain at that  
time.

#### PRICE LATER SERVICE CHARGES-

All grain placed on a Price Later contract will be charged a  
service charge of .0020 cents per bushel per day the months  
of September thru March, and .0011 cents per bushel per day  
the months of April thru August. ALL PRICE LATER  
CONTRACTS WILL EXPIRE AT NOON ON AUGUST 31 AND CAN  
ONLY BE SOLD INTO THE CASH MARKET. Management and  
the board of directors will determine prior to expiration if  
contracts will be allowed to roll over or have to be sold prior  
to the market close on the last business day of August.

### **PRICE LATER CONTRACTS AND DEFERRED PAYMENT CONTRACTS MUST BE SIGNED!**

**Any grain not settled within 20 days of first  
delivery will AUTOMATICALLY be placed on  
Warehouse Receipt.**

**GRAIN POLICY SUBJECT TO CHANGE!**

**9/1/2025**
